It takes a community!

The dreams for Bayfield River Flats Natural Area are coming true thanks to the generosity of this community. We thank donors, service clubs, businesses and organizations.

Recently, this generous community made a pedestrian walkway possible. Now, in 2025, a local donor has made a generous and significant donation towards a canoe and kayak launch. The finish line, for this project, is in sight. Building on this donation, we look to the community to help us reach the \$20,000 fundraising goal to complete the project. Your donation can help us to reach our goal and make the canoe and kayak launch project a success.

Bayfield River Flats is a property of Huron Tract Land Trust Conservancy, which permanently protects it. Volunteers from Bayfield River Valley Trail Association maintain the property at no cost to the public.
